Nothing has changed around us...

- **Governments**
- **High schools and Universities**
- **Big companies and start-ups**
- **Railways, Telecom**
- **Brittany**
- **Traffic management, Road Safety, Public Transport**
- **Sustainability**

But, today we are linked together with zoom.us

New realities, old words ...

- **PANDEMIA**
- **Confinement**
- **Deconfinement**
- **Couvre-feu**
- **Circular Economy**
- **Frugal Economy**
- **E-bike**
- ...

*It was difficult to design a Liveable City 13 years ago.

New images, old realities ...

*Attractive ?, Inclusive ?, Efficient ?, Resilient ?
Low-Carbon ?, Safe ?, Smart ?*

Thank You !
